

This picture said to Adam "Don't do anything that might injure your hands"

LONEY - SAD

The fingers were all there, but a time ago leaves that never fell. The ring and little fingers were right and long

Not joy because his head hurt so much he stood alone

Every day always a long time that his hand was like the old witness of his loss

AGED

The school corridors were always crowded between classes

That day, because his had hurt so much, he stood still

Doctors had told him he would never be able to run, live, fly, or swim
